

H3 GROB AIRCRAFT

**WERDEN SIE TEIL DER
GROB AIRCRAFT
FAMILIE**

An einem interessanten Arbeitsplatz.
Mit einem begeisternden Produkt.
In einem dynamischen Team.
Wir suchen Sie als:

Technical Internal Sales (m/w/d)

[Online-Bewerbung](#)

YOUR AREA OF RESPONSIBILITY

- You will prepare project and product calculations as well as marketing and sales documents
- You will also be responsible for the preparation of quotations with the corresponding references and evidence
- You check quotation requests and evaluate them together with your colleagues
- You control sales processes through your independent working style
- To do this, you coordinate with customers and internal interfaces
- The handling of general administrative sales activities also runs across your desk
- You will also support our sales campaigns with your planning and organisational skills
- You have a watchful eye and can therefore optimise our existing process flows
- Finally, you monitor compliance with deadlines and keep an eye on time-critical tasks

YOUR TOOLS/KNOWLEDGE

- Completed commercial training with professional experience in a technical environment from internal sales, project management or purchasing or a completed degree in a relevant field
- Very good MS Office skills (especially Word and Excel)
- Business fluent in German and English, further foreign language skills are an advantage
- Technical affinity
- High quality awareness as well as structured and calm approach even in time-critical projects
- Willingness to travel occasionally worldwide

We are a dynamic family business with short decision-making processes and open doors. We also offer

- 40-hour week, 30 days' holiday, company pension scheme & a secure job
- „Work-life balance - work and family in harmony
- Relaxed working atmosphere with open and respectful managers

We look forward to receiving your application by e-mail or preferably via our career portal.
